10. **USE ONLY IF YOU CHECKED QUESTION 9(B)**

If the trip includes two overnight stays, please explain why the second night is practically required for Senate invitees to participate in the travel:

Two overnight stays are required because the event will take place in California, and the distance and travel time required is lengthy and warrants a second night.

11. ☒ An itinerary for the trip is attached to this form. I *certify* that the attached itinerary is a detailed (hour-by-hour), complete, and final itinerary for the trip.

12. Briefly describe the role of each sponsor in organizing and conducting the trip:

The Alliance for Excellent Education will invite and convene attendees, arrange, travel, compile the event agenda, and help to facilitate all event activities taking place on October 18, 2016 in Los Angeles, CA.

13. Briefly describe the stated mission of each sponsor and how the purpose of the trip relates to that mission:

The Alliance for Excellent Education is a national policy and advocacy organization that is dedicated to ensuring that all students graduate from high school prepared for postsecondary education. The Linked Learning approach to education in California closely aligns with the Alliance's mission

14. Briefly describe each sponsor's prior history of sponsoring congressional trips:

The Alliance sponsored its first trip in September of 2014 to Porterville, CA. We took a group of congressional staffers to visit Linked Learning implementation in Porterville Unified School District, September 24-26, 2014.

15. Briefly describe the educational activities performed by each sponsor (other than sponsoring congressional trips):

The Alliance encourages the development and implementation of federal and national policies that support effective high school reform. It works to synthesize and distribute research and information about promising practices that informs national discourse.

16. Total Expenses for Each Participant:

<input type="checkbox"/> Actual Amounts				

17. State whether a) the trip involves an event that is arranged or organized *without regard* to congressional participation or b) the trip involves an event that is arranged or organized *specifically with regard* to congressional participation:

This trip involves an event that is arranged and organized without regard to congressional participation

18. Reason for selecting the location of the event or trip

Los Angeles, CA was selected due to the success the selected school sites have had in transforming learning for students and their robust relationships with employers, higher education, and other partners.

19. Name and location of hotel or other lodging facility:

W Hotel Hollywood, 6250 Hollywood Boulevard, Hollywood, CA 90028

20. Reason(s) for selecting hotel or other lodging facility:

This hotel was selected as the host hotel for the event because it was available on the event date, it offers the required meeting room accommodations, and is in close proximity to both school sites we will be visiting. Additionally we were able to negotiate a lower rate for participants.

21. Describe how the daily expenses for lodging, meals, and other expenses provided to trip participants compares to the maximum per diem rates for official Federal Government travel:

The federal per diem rates for Los Angeles are \$158/night for lodging and \$64/day for MIE. The rates above are higher than the federal per diem rates. However, based on the accommodations required to accommodate all guests and activities corresponding with this event, these are the anticipated expenses.

Coach transportation will be provided.

23. ☒ I represent that the travel expenses that will be paid for or reimbursed to Senate invitees do not include expenditures for recreational activities, alcohol, or entertainment (other than entertainment provided to all attendees as an integral part of the event, as permissible under Senate Rule 35).

24. List any entertainment that will be provided to, paid for, or reimbursed to Senate invitees and explain why the entertainment is an integral part of the event:
